

LIBRARY NOTES

The North Walpole Library will start operations in the basement of Fisher School the first Tuesday in July, July 7, and will be open to adults as well as children every Tuesday thereafter from 3.30-4.00 p. m. This library station will be conducted similarly to the one at South Walpole, with the view of bringing good books of all types, for study or recreation, to the entire district. Miss Annable will be in charge, and there will be weekly messenger service, so that requests may be promptly filled. It is expected that this station will be well patronized, as many people have expressed a desire for its establishment.

During June, July and August the library will be closed on Sundays.

Among the new books put into circulation this week are the following:
